Los Angeles, California 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

24 JANUARY 11, 2011

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

**ADOPT, ADVERTISE, AND AWARD
RESURFACING OF ROADWAY PAVEMENT
ANGELES FOREST HIGHWAY
IN THE ANGELES NATIONAL FOREST
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to approve the project to resurface roadway pavement on Angeles Forest Highway in the Angeles National Forest; find the project is categorically exempt from the provisions of the California Environmental Quality Act; adopt the plans and specifications; call for bids; and authorize the Director of Public Works or her designee to award, execute, and implement a construction contract with the apparent responsible contractor with the lowest responsive bid.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this project is categorically exempt from the provisions of the California Environmental Quality Act.
2. Approve the project and adopt the plans and specifications for Angeles Forest Highway, resurfacing of roadway pavement, in the Angeles National Forest, at an estimated cost between \$1,600,000 and \$2,200,000.
3. Call for bids to be received on February 8, 2011.
4. Instruct the Executive Officer of the Board of Supervisors to advertise the project and seal and return the plans and specifications to the Department of Public Works for filing.

5. Authorize the Director of Public Works or her designee to award, execute, and implement a construction contract with the apparent responsible contractor with the lowest responsive bid within the estimated cost range, approve the Faithful Performance and Labor and Material bonds and insurance submitted by the contractor, and deliver the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval from your Board and to adopt the plans and specifications; advertise for bids; and authorize the Director of Public Works (Director) or her designee to award, execute, and implement a construction contract with the apparent responsible contractor with the lowest responsive bid for the resurfacing of roadway pavement and the performance of other appurtenant work.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The recommended actions will help achieve these goals by providing improved highway facilities for the traveling public.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction cost to complete this project is in the range of \$1,600,000 to \$2,200,000. The project cost will be financed with State Proposition 1B Transportation Bond funds under the Local Streets and Road Improvement, Congestion Relief, and Traffic Safety Account of 2006. The Department of Public Works (Public Works) has also received a Rubberized Asphalt Concrete Grant, currently estimated to be \$38,500 made available by the California Department of Resources Recycling and Recovery to be used toward the roadway pavement work. This project is included in the Fifth Supervisorial District's Road Construction Program in the Fiscal Year 2010-11 Road Fund Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the resurfacing of roadway pavement, is part of Public Works' ongoing highway construction and maintenance program. It will be advertised in accordance with Section 20392 of the State Public Contract Code.

This project is to be completed in 60 working days. It is estimated the work will start in May 2011 and be completed in August 2011.

Delegating to the Director or her designee the authority to award, execute, and implement this construction contract allows an expedited contracting process to obtain a contractor for the resurfacing of roadway pavement on Angeles Forest Highway.

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' (County) Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program, Los Angeles County Code, Chapter 2.206; and the standard Board directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

The U.S. Forest Service, as owner of this roadway, has approved the work pursuant to Title 36 of the Code of Federal Regulations. On October 27, 2010, they issued their Notice to Proceed.

ENVIRONMENTAL DOCUMENTATION

This project is categorically exempt pursuant to Section 15301(c) of the California Environmental Quality Act Guidelines, and Class 1, Subsections (x)(2), (x)(14), (x)(17), (x)(22), of the revised County Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987. These exemptions provide for the resurfacing of existing roadway pavement.

CONTRACTING PROCESS

This project will be contracted on an open-competitive bid basis. A recommendation for award by the Director or her designee will be made after review of the bids and determination of the lowest responsive bid and responsible contractor meeting the criteria established by your Board and the

State Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing improved highway facilities for the traveling public.

CONCLUSION

Please return one adopted copy of this letter to the Department Public Works, Construction Division.

Respectfully submitted,

GAIL FARBER
Director
